2009 Mirror Dedication: Mr. Frank Dachille

England, New York, California, Michigan: these are just some of the places that Mr. Dachille goes. As the founder of North Shore's Model United Nations club, Mr. Dachille takes students around the United States to learn about global issues and gain a broader perspective of the world. During Interim Week, Mr. Dachille has led trips all over the globe; in recent years he has traveled with our students to Wycliffe College, a boarding school in England. Along with coaching cross country and track, Mr. Dachille teaches World History and International Relations, both of which expose students to his wealth of knowledge. A true global citizen, Mr. Dachille helps us expand our lives far beyond 310 Green Bay Road. Thank you, Mr. Dachille, for all that you do!

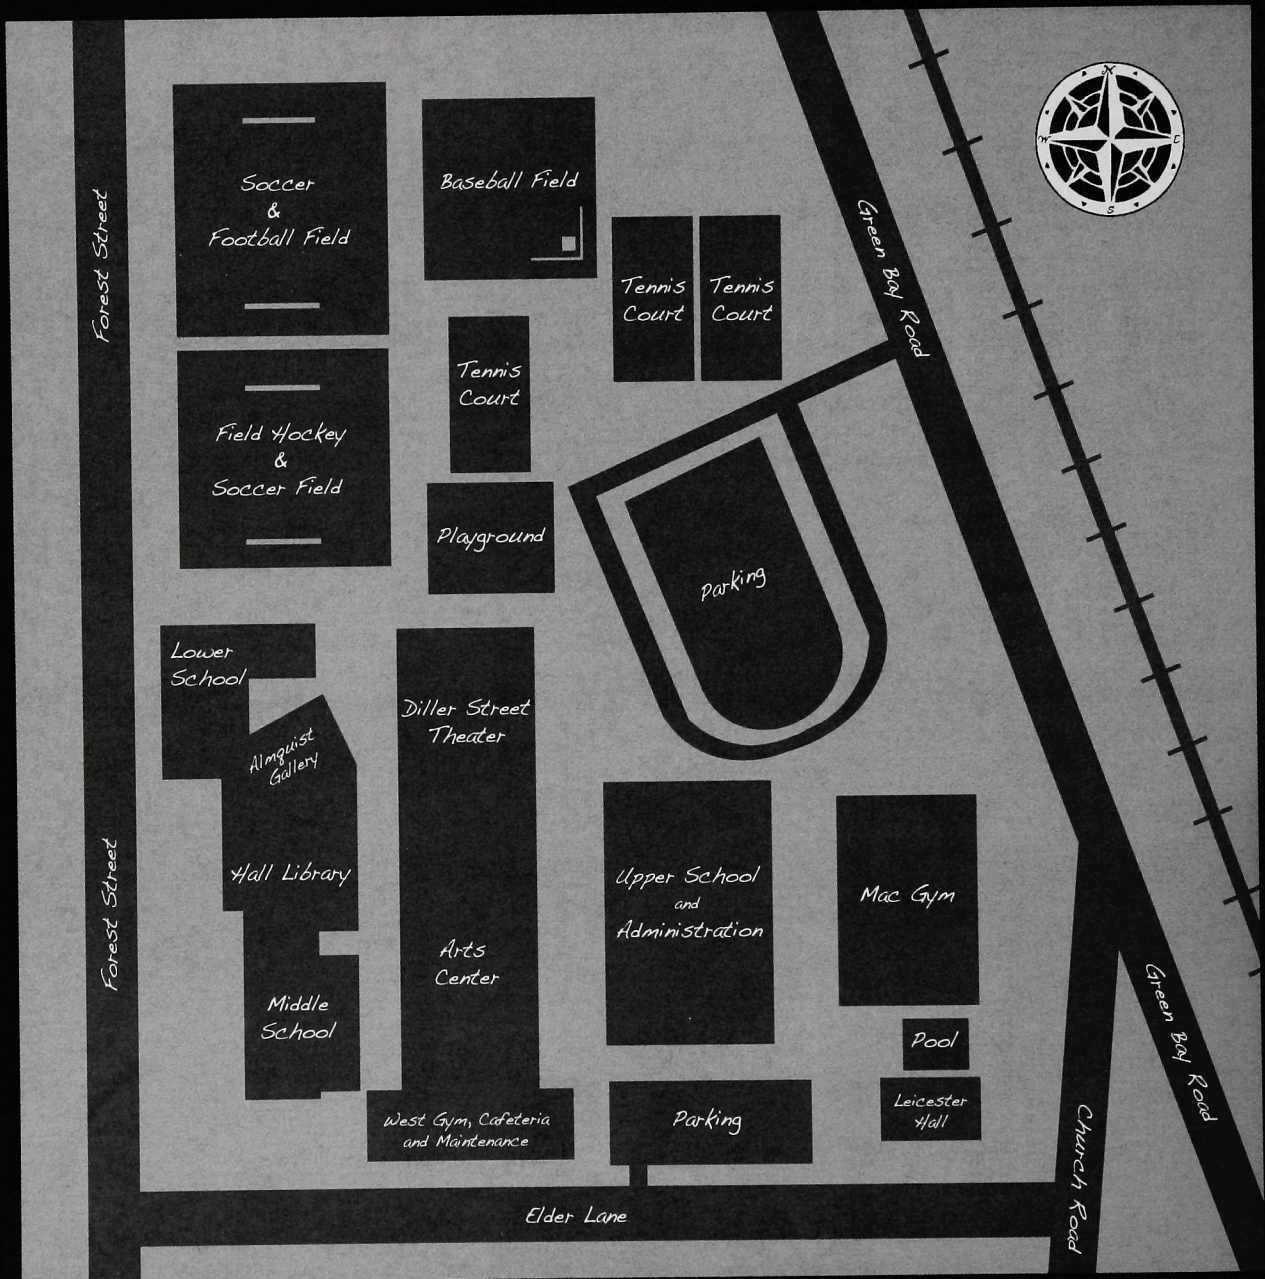

Eric “Skal” Skalinder

Eric Skalinder was a cherished member of our community. He guided us in many of our daily journeys, from physics class to Science Olympiad to planning for prom. Wearing his trademark white button-down shirt and jeans, Skal always had a bright smile on his face and a kind word for everyone he met. He will be greatly missed.

NORTH SHORE AROUND THE WORLD

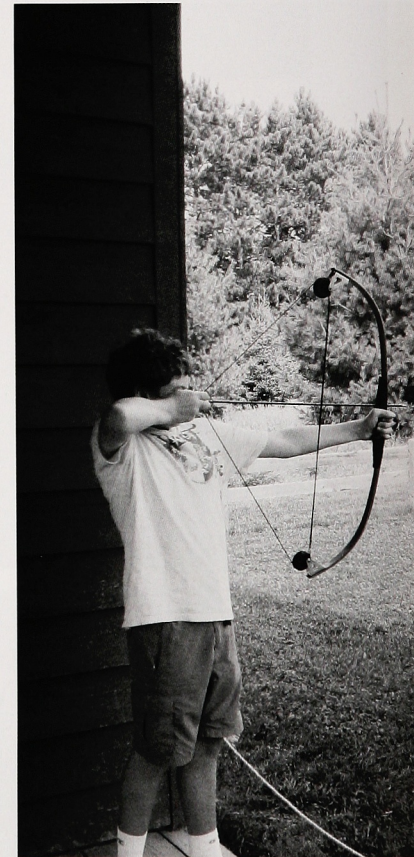

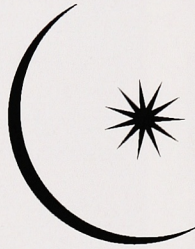

Linh Phuong Nguyen traveled from Vietnam to spend her 2009-2010 school year studying at North Shore. She is staying with the Murnighans and loves having a host brother and sister. Linh enjoys being able to be a part of different clubs and activities such as yearbook, community service, and field hockey. In the short time she has been here, Linh has formed lasting relationships not only with other students, but also with teachers. Linh's enthusiasm has been a fabulous addition to our community this year, and we will miss her fun spirit!

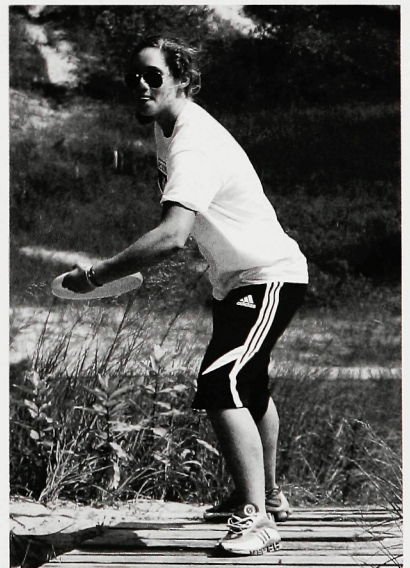

This summer, North Shore students went global. The field hockey team traveled to Holland, Belgium, and Germany to experience international competition, while Spanish students immersed themselves in the culture of Spain for 3 weeks.

Interim Week 2009

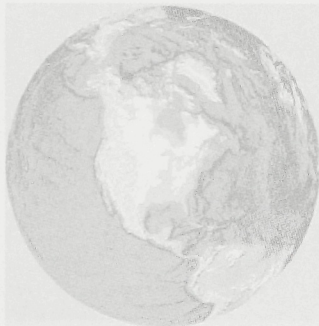

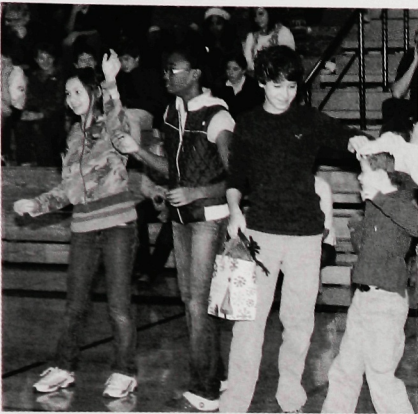

Whether we stayed close to home or traveled to far away places like England and Peru, Interim 2009 exposed us to wonderful new experiences that ranged from working with children with special needs to learning how to waltz or rebuilding houses destroyed by Hurricane Katrina.

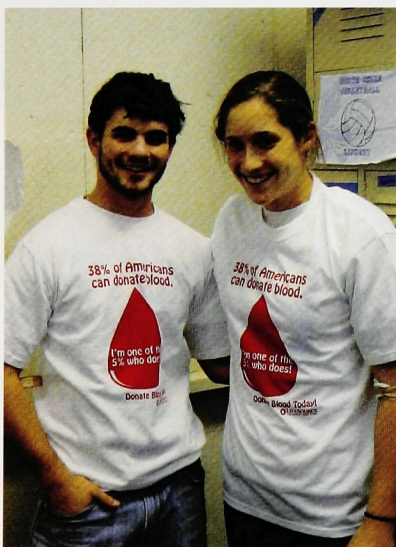

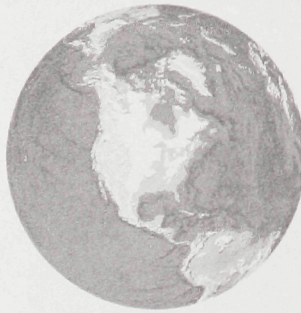

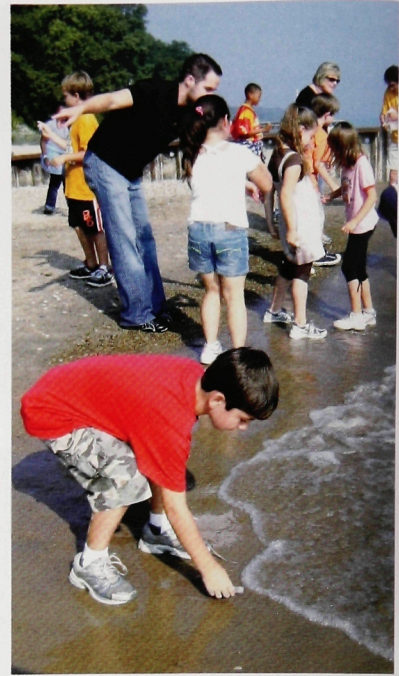

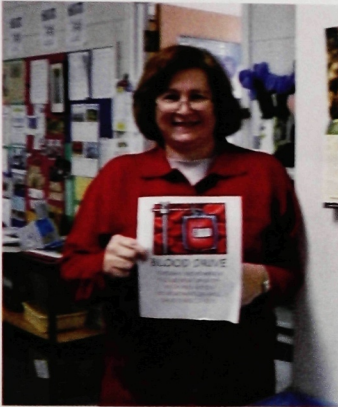

HOLIDAY CELEBRATION

Live & Serve

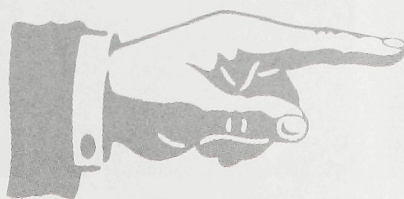

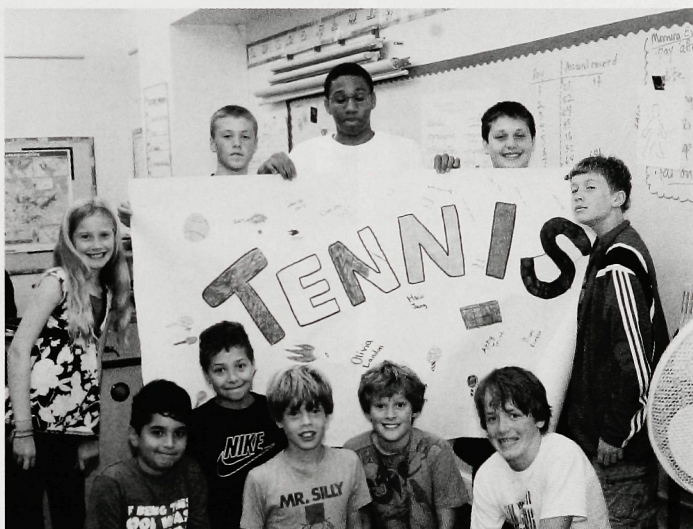

Students participated both in service learning through their individual classes and in community service through the many opportunities offered during the year. In all cases, an emphasis was placed on students generating their own ideas for service and taking responsibility for the execution of those ideas. Among the very successful projects this year were two blood drives, the school-wide Thanksgiving food drive, the Northwestern Settlement House gift drive and monthly trips to the Good News and Hilda's Place soup kitchens.

*Mrs. Cullen,
Thank you for instilling a love of
science in North Shore students for
the past 23 years. You have
introduced Lower Schoolers to
everything from owl pellets and
construction to electrical circuits and
making candles. Your presence will
surely be missed, and we wish you all
the best in the future.
Thank You,
The North Shore Community*

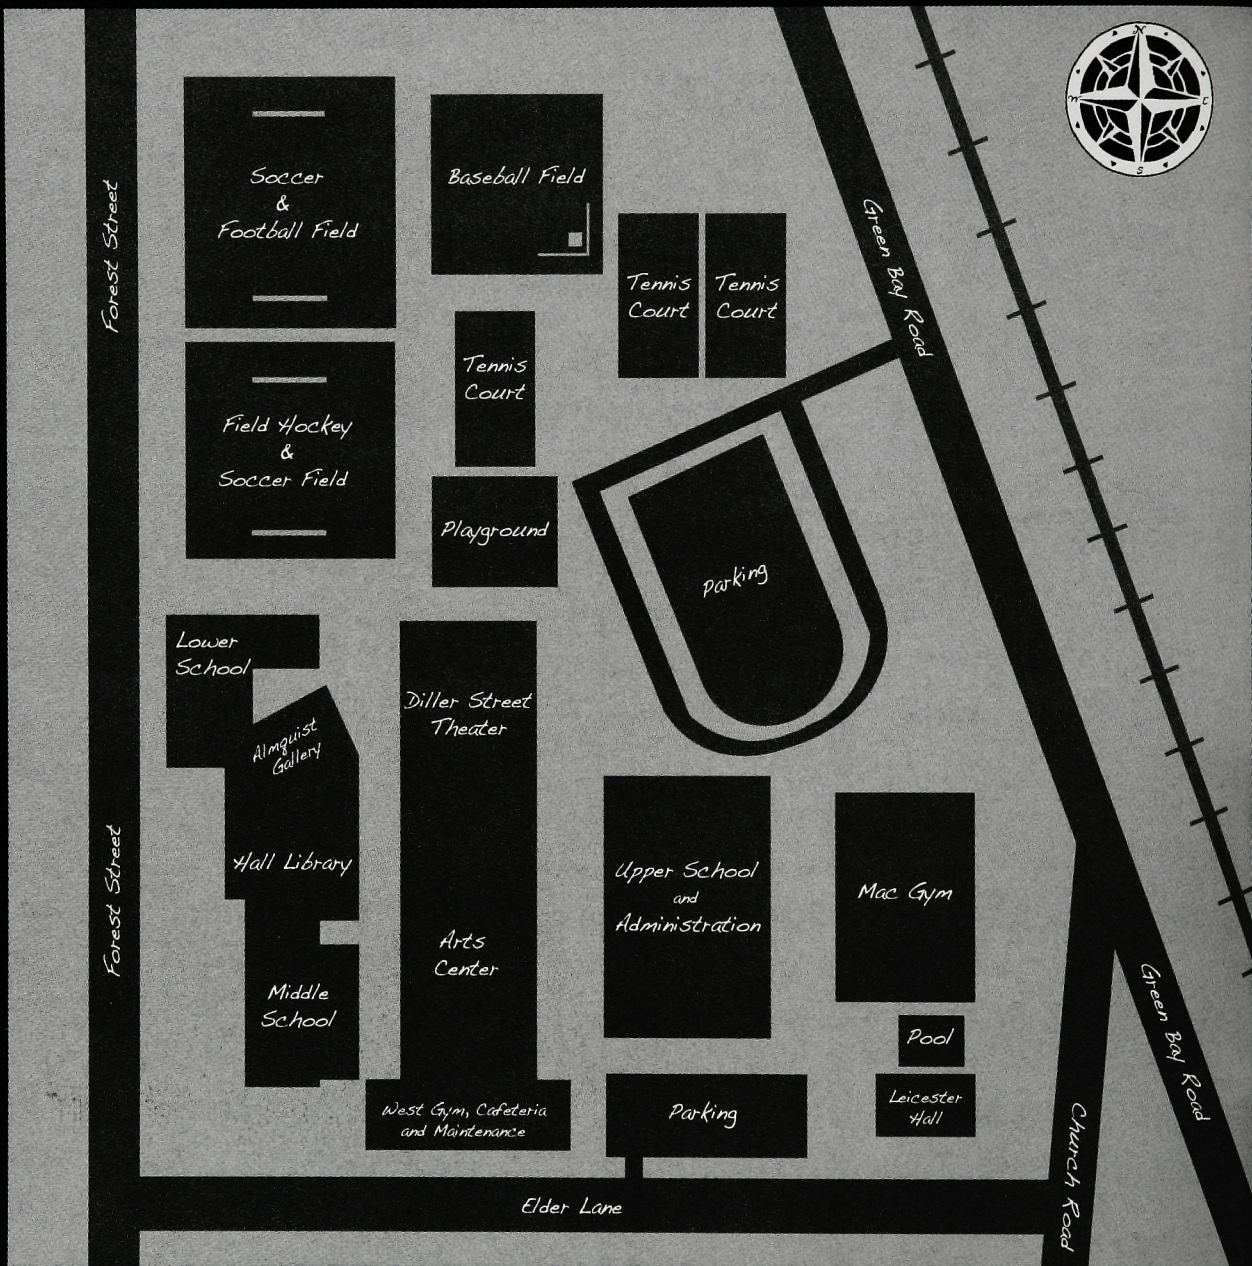

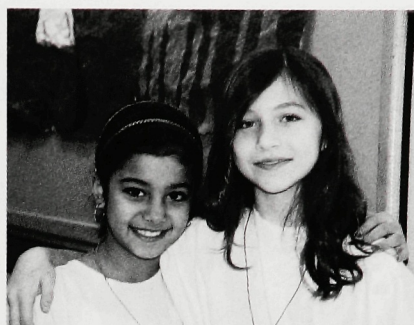

Ms. Hiland, Mr. Curren, Ms. Puccia, and
Mr. Jessen: Thank you for all the time
and effort you have put into this year's
Mirror. We couldn't have asked for
better faculty advisors!

Love,

My favorite part about 5th grade is having pen pals in India because it gives us a good opportunity to spread our culture and learn about theirs.

— Connor Watrous

One of the most exciting days in 5th grade was when we all gathered in Mrs. G's classroom and got our parts for the 5th Grade Play.

— Caroline Keehn

One of my favorite projects in 5th grade was the National Park presentation because I got to learn a lot about different National Parks and their wildlife.

— Charlie Hansell

Leading the first graders in the Halloween parade was one of my favorite parts about 5th grade.

— Morgan Harney

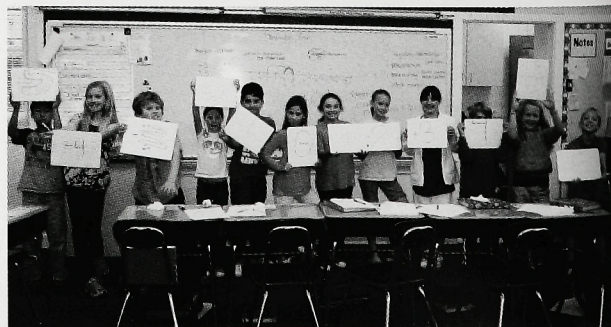

5th grade has been great because we get to be the leaders of Lower School and help out the younger students.

— Sarah Lumberg

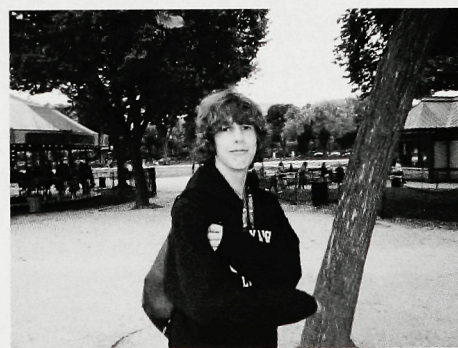

One of my favorite parts of 5th grade was when I got to dress up as the Roman god, Neptune, and be in his character all morning.

Closing time--open all the doors
and let you out into the world.
Closing time--turn all of the lights
on over every boy and every girl.
Closing time--you don't have to go
home but you can't stay here.

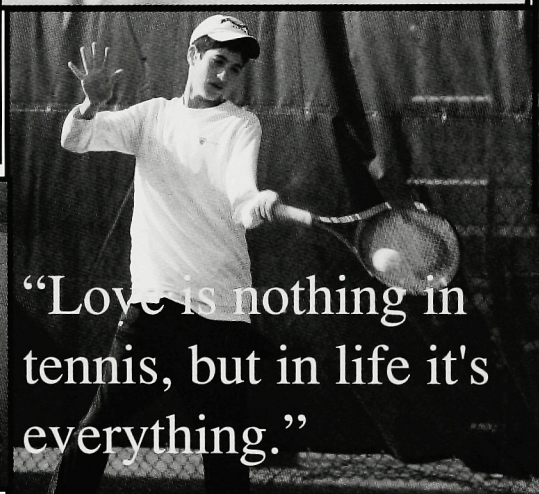

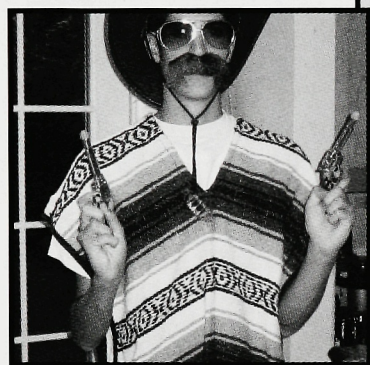

Closing time--time for you to go out to the places you will be from.
Closing time--this room won't be open till your brothers or your sisters
come.
So gather up your jackets, move it to the exits.
I hope you have found a friend.
Closing time--every new beginning comes from some other beginning's end.

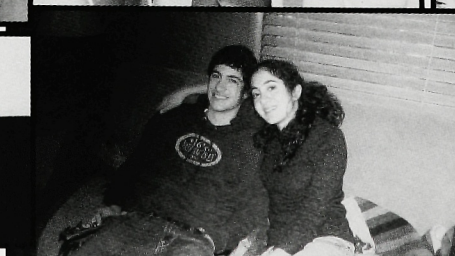

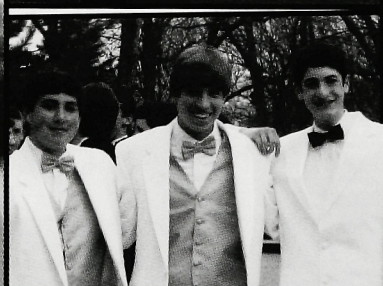

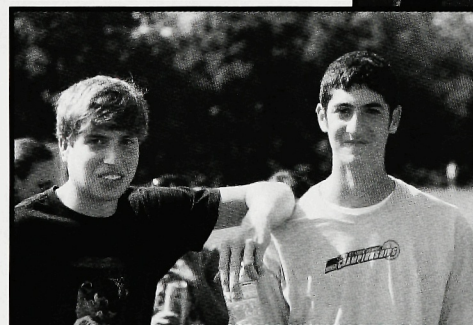

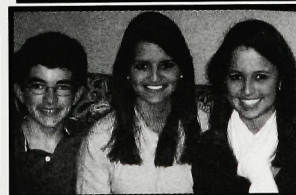

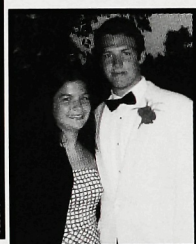

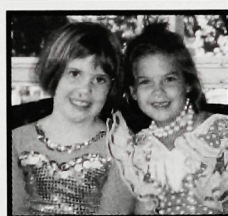

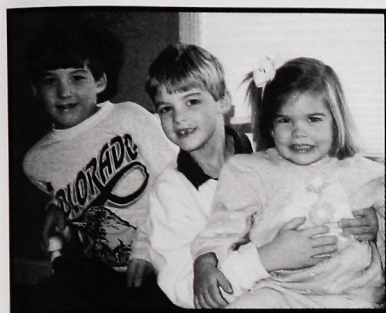

Life is a Garden.
Dig it.

Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us.

of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.

We ask ourselves, 'who am I to be brilliant, gorgeous, talented and fabulous?' Actually, who are you not to be? You are a child of God. Your playing small does not serve the world. There's nothing enlightened

about shrinking so that other people won't feel insecure around you. We were born to make manifest the glory of God that is within us. It's not just in some

May your tears come from laughing,
 You find friends worth having,
 With every year passing,
 They mean more than gold.
 May you win but stay humble,
 Smile more than grumble,
 And know when you stumble,
 You're never alone <3

Dear little town,
 You have been good to me
 You've kept your word and
 got me through these years
 Now all I ask is that
 you'll be there
 When I return.
THIS IS OUR TOWN.

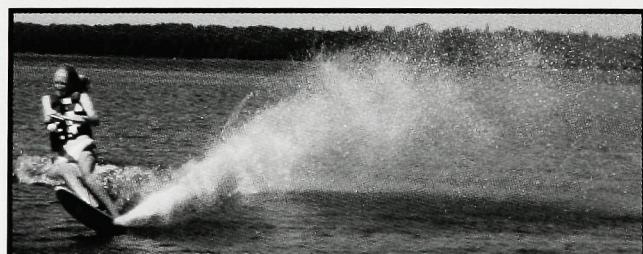

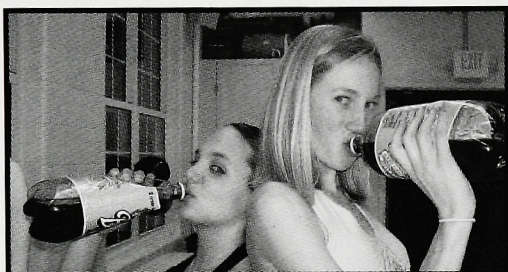

...you belong with me...<3

My wish for you is that this life becomes all that you want it to...<3

This is the truth. The clock
will run until somebody makes
it stop. It might as well be
you, don't you think?

From your editors,
Lilly, Danielle, Sammy and Becca

Thank You!

Danielle, Sammy, Lilly, and Becca:

Thanks for all your hard work! Without your dedication and commitment, this edition of the Mirror would not have been possible. You probably didn't realize what you were getting into when you took on this job, but you performed far beyond our expectations. Whether it was putting together the ladder, combing through a seemingly endless series of jpegs

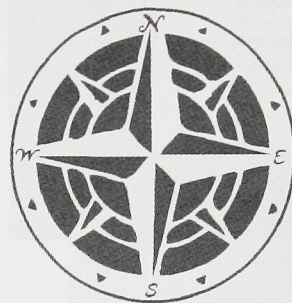

looking for the perfect picture, or just trying to motivate our staff, we could always depend on you to get the job done. Thanks to all your efforts, we have a wonderful memento of the 2009-10 academic year.

As this part of your journey comes to an end, we wish you the best of luck in your next adventures. We can't wait to see what places you go in the next four years, and beyond!

Based on what we have observed, we know that wherever your journeys take you, you will all enjoy lots of success.

Best wishes,

Ms. Puccia, Ms. Hiland and Mr. Curren
